

Did someone take your appointment?

Every week around 80 appointments are wasted

due to patients failing to attend appointments they made. As the average consultation lasts 10 minutes, that's more than THIRTEEN HOURS of a clinician's time

that could have been spent with patients who have to wait longer for an appointment. Appointments can easily be cancelled by phone or on-line. When the surgery is closed you can even leave a message.

Goings..... and Comings!

Farewell to Dr Bill Hart, who has retired after 32 years with the practice. Dr Hart is the second partner to leave South Cave Surgery this year

following the retirement of Dr Cheryl Lyons on health grounds. We wish them both well.

Welcome to Dr Anne

Jeffreys as a new partner at South Cave. Dr Jeffreys has been with the Practice for 10 years, specialising in Family Planning and Menopause. In August Dr Aroop Sen joins as a full time partner working between South Cave and Brough, and we also welcome Dr Ben Ditchfield as a salaried GP.

Get the most out of your surgery

Text Message Reminder service

Have you signed up? Just ask for details at reception and never miss an appointment again. Also get reminders to book for your annual reviews and recalls.

Do you regularly have to call on behalf of a relative

Due to confidentiality, our staff are not allowed to discuss medical information with anyone other than the patient. But it is possible for you to call the Practice on behalf of a patient if they agree to you being their Third Party representative. Just ask at reception for further information.

Interesting Facts

During last year's flu campaign we gave over 4400 flu jabs

Since August we have given 159 shingles vaccinations.

From April 2013 to March 2014 over 1000 patients had NHS Health Checks with us.

On average we have over 8000 appointments per month.

As of 21st May 2014 we had 20613 patients registered with the Practice compared to 20516 the year before.
